We will be happy to provide you an estimate of the approximate permitting fees regarding your project. This estimate is based on average fees associated with your type of project. The final exact costs will be determined at completion of the permit application process.

I hereby request a quote of all fees associated with the submitted plans and questionnaire. I understand that these fees are ones associated with Escambia County Building Inspections Department. Fees that will be charged by another agency are not included. I further understand that the quoted fees will not include fees to be charged by Growth Management (Planning and Zoning), Escambia County Engineering, or State Environmental Health (Health Department – septic tanks etc.)
